- B. The Delegate Assembly may meet in special session by direction of the Delegate Assembly or Board of Directors.
- C. Notice of all meetings of the Delegate Assembly, whether annual or special, stating the place, day and hour of the meeting and whether it is annual or special, and in case of a special meeting the purpose or purposes thereof, shall be given personally, by mail or by electronic mail or other form of electronic transmission to the extent permitted by Hawaii law, at least ten (10) days before the meeting. If by mail, such notice shall be deemed to be delivered when deposited in the United States mail postage prepaid and addressed to the Delegate at such address as appears in the records of the HSTA-Retired. Notice given by electronic mail shall be deemed given when directed to an electronic mail address to which a Delegate has consented to receive notice. If no record date for notice is set by the Board, then the Delegates at the close of business on the business day preceding the day on which notice is given are entitled to notice of the meeting. If no record date for voting is set by the Board, then the Delegates on the day prior to the date of the meeting who are otherwise eligible to vote are entitled to vote at the meeting. A Delegate's attendance at a meeting waives any objection to deficiencies in meeting notice unless, at the beginning of the meeting, the Delegate objects to holding the meeting or transacting all or specific business at the meeting.

Ballots may be transmitted electronically. Each Delegate shall have one (1) vote and shall vote as a single class. The affirmative vote of the majority of votes represented and entitled to vote at a meeting at which a quorum is present is required for the action of the Delegates unless a greater vote for member action is required by Hawaii law, these Bylaws or the Articles of Incorporation.
- E. If authorized by the Board of Directors in its sole discretion, Delegates may participate at the annual Delegate Assembly electronically through use of Internet meeting services designated by the Board of Directors that, subject to all standing and special rules adopted by the Board, or the Delegates, allow Delegates minimally the opportunity to:
- Engage in simultaneous aural communication among all participating members and speakers of the Delegate Assembly;
 - Vote on matters submitted to the Delegates; and
 - Make valid motions, engage in debate and raise Points of Order.

A Delegate participating in an electronic Delegate Assembly shall be deemed to be present in person. - D. A majority of the number of directors in office shall constitute a quorum. No action taken, other than the appointment of directors to fill vacancies, shall bind HSTA-Retired unless it shall receive the affirmative vote of a majority of the directors present at a meeting at which a quorum is present unless a greater vote is required by these Bylaws, the Articles or Hawaii law.
